M. I. T. Center to Study India

Special to The New York Times.

CAMBRIDGE, Mass., Dec. 29 —Problems related to the economic growth of India will be studied under a $750,000 grant to the Center for International Studies at the Massachusetts Institute of Technology. The grant was made by the Ford Foundation. [redacted] director of the center, said today the program "will attempt to collect the data on which effective development planning must be based."
